

PROJECT UPDATE | **October 5, 2019**

STAGE 3

Xcel's work to install the gas pipeline along 11th Street will progress to **Stage 3** on Saturday, October 5, 2019

During Stage 3 work:

- On Saturday, October 5th, Xcel will utilize half of **11th Street** to assemble and weld pipe for work in front of St. Cajetan's Church.
- Pipe staging in front of the **Cherry Creek Building** will impact 17 metered spaces and 3 ADA permit parking spaces **October 7–9th**.

STAGE 4

Xcel's work to install the gas pipeline along 11th Street will progress to **Stage 4** on Thursday, October 7, 2019.

During Stage 4 work:

- On Thursday, October 7th, work will begin in the parking area on the east side of the **Cherry Creek Building**.
- Stage 3 pipe will be lined up on **11th Street** to the north of the **Champa Street traffic circle**.
