

## PROJECT UPDATE | **October 4, 2019**

---

### **STAGE 2**

Xcel's work to install the gas pipeline along 11<sup>th</sup> Street has progressed to **Stage 2**. **It is anticipated that Stage 2 work will be completed late in the day on Friday, October 4, 2019.**

#### **During Stage 2 work:**

- The work zone and traffic blockade has shifted south between **Curtis Street** and **Champa Street**.
- **Curtis Street** and **Champa Street** will remain open.
- The west half of **11<sup>th</sup> Street** will be closed.
- The circle will remain open to allow church parking.
- Flaggers will direct vehicles around the work zone through a single traffic lane if more than half of **11<sup>th</sup> Street** needs to be closed at any time.
- The ADA parking spaces and the ADA ramp behind **Auraria Library** will remain accessible.
- The Auraria Library loading dock and dumpster will remain accessible,
