ACPD Community Advisory Board

APPLICATION

The ACPD, in partnership with the Auraria Higher Education Center and its constituent institutions, seeks to establish a Community Advisory Board which can openly engage in diverse dialogues among its members, bringing together those with different perspectives, experiences and perceptions of policing and campus relations. I understand that, as standard practice, the ACPD will perform a non-invasive background check on those considered for membership, working with each institution to obtain any background information already gathered upon hiring, if applicable. I understand that this process and its outcomes will not explicitly preclude any individual from membership on the ACPD Community Advisory Board. Criminal history involving crimes of moral turpitude or criminal histories showing open investigations or pending prosecutions may disqualify an individual from appointment. The ACPD commits to the highest standards of integrity and confidentiality in any background or criminal history checks conducted in relation to board membership.

The Auraria Higher Education Center, Community College of Denver, Metropolitan State University of Denver, and University of Colorado Denver do not and shall not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations. We are committed to providing an inclusive and welcoming environment for all members and guests of our campus community.

I certify that all information provided in this advisory board application is true and complete. I understand that a non-invasive background check is required for all applicants to the ACPD Community Advisory Board, and authorize such a background check to be performed.

I have read, understand, and by my signature consent to these statements.
