# The Tivoli

The Tivoli was originally built in 1870 as the Rocky Mountain Brewery. In 1901 it became the Tivoli-Union brewery, named after the famous amusement park in Copenhagen. It is listed on the National Register of Historic Places, guaranteeing full restoration of the building and its major brewing equipment.

The Tivoli houses a variety of event spaces that can accommodate formal celebrations, large events, business meetings, and conferences. The charming historic design and decor create a warm and inviting setting for any event.

# Tivoli Quad

Tivoli Quad is our largest outdoor venue space with the iconic Tivoli building as a backdrop complimented by amazing views of the ever changing Denver cityscape.

# Historic 9th Street Park

Historic 9th Street Park is a quiet and more intimate setting surrounded by lush trees and restored Victorian-style houses.
