

# The Creative Curriculum® for Toddlers

## Transforming the Classroom Experience for Toddlers and Teachers

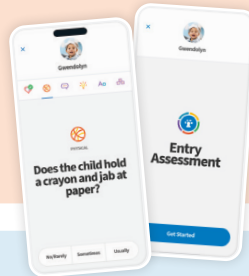

Our **NEW** groundbreaking solution empowers teachers to support the unique needs of toddlers during their critical period of rapid development like never before.

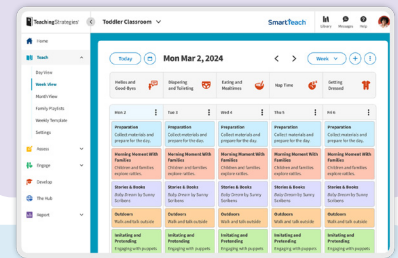

**Granular skills** exclusively focused on toddlers and aligned to the objectives of development and learning capture rapid progress.

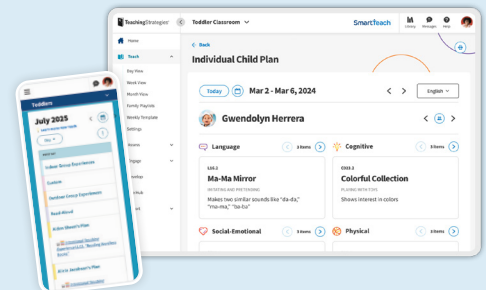

The **digital entry screener** and ongoing guided assessment help create and continually update Individualized Child Plans.

**Pre-populated weekly plans and care routines** reduce teachers' planning and maximize time nurturing toddlers.

The **mobile and digital experience** allow teachers to easily plan, teach, individualize learning, and connect with families.

## What's Included in *The Creative Curriculum*® for Toddlers

Nurture the youngest learners with a research-based toddler curriculum that adapts to each child's unique needs while providing teachers with print and digital resources that make planning, teaching, and engaging families easier than ever.

### Daily Resources

- 3 Teaching Guides (4 months per guide)
- Curriculum Guide
- Skill Development Card Organizer (print only)
- Skills for Toddlers booklet
- Skill Development Cards for Toddlers, 12–27 months: 366 cards
- 12 baby-proof, easy-to-clean Barefoot Books (print only)

### Digital Resources

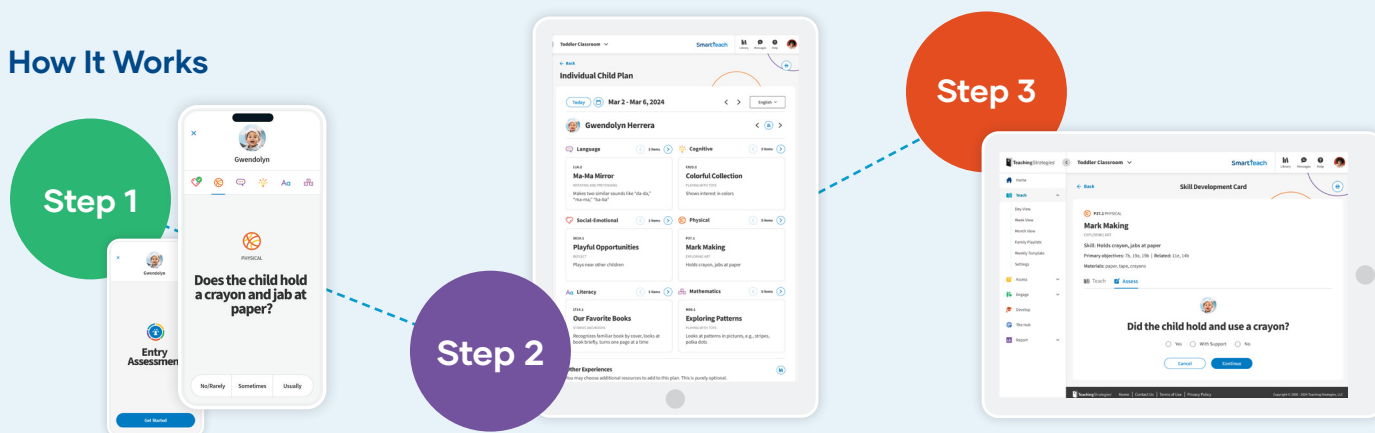

- **SmartTeach**® App provides access to pre-populated weekly plans, the entry screener, ongoing guided assessment and progress monitoring, individualized child plans, and age-based care routine strategies.
- **The Creative Curriculum**® Cloud includes smart planning and teaching tools, digital access to the curriculum, embedded micro-learning videos, weekly family playlists, and more!

## Mixed-age Classroom?

No problem! Let us create a custom solution for your program from our suite of *The Creative Curriculum*® solutions for infants, toddlers, and twos.

## How It Works

The **Entry Screener** helps the teacher easily identify where each child is developmentally.

Entry Screener results feed **Individualized Child Plans** with specific **Skill Development Cards** based on what each child is working on "next."

**Guided ongoing assessment:** The teacher receives prompted questions after each each **Skill Development Card** that will automatically feed preliminary levels in **GOLD**®.
